NEWSLETTER MAY 2024

Hearty Greeting to all Redcliffe National Seniors.

What a busy month I have had – Bundaberg bus trip – fabulous – I went snorkelling at Lady Musgrave Island (think becalmed whale) – drank Solera rum, two small nips, did not buy a bottle at \$194+ per bottle – Hinkler Museum – botanic garden, steam train ride – Kari (Fraser) – Much fun and games had by all.

Today we have Val Marlow from The Royal Flying Doctor Service as our Guest Speaker. Please make Val welcome.

Keep smiling we are so very lucky to live on the Redcliffe Peninsula

WELFARE

Please notify Jenny Ryan 3204 9121 of any member you know who is ill or injured of a recent date

For our monthly bus trip we left Redcliffe at 8:15am and set off for the Boonah area to visit the Templin Historical Village. A very interesting place. Several separate buildings to visit, and all full of memorabilia. I found the most interesting area was the research office. This was absolutely jammed full of items of information and artifacts, with the lady responsible for it all knowing what everything was, and where it was. Totally organised. It took members back to their own childhoods and stirred up many wonderful memories.

Leaving the Village behind we went to the Dugandan Hotel for a very nice lunch. A good day out with plenty of sunshine and lots to admire. Your Roving Reporter
